

The Search Committee has started with a list of 16 Senior Pastor candidates. Names were provided by Bishop Wills, Dr. Dunnam, Dr. Bouknight, Search Committee members, and our congregation. The Committee is currently focused on seven names, and is listening to sermons from those seven candidates, as well as researching their respective churches, beliefs, and ministries.

The next steps will be to continue to build the list of potential candidates, as well as decide which, if any, candidates to present to Bishop Wills. If given permission by Bishop Wills, the Committee will begin site visits and formal interviews. Our next Senior Minister may or may not come from the list of seven pastors we are now reviewing. The Committee is being patient and prayerful, allowing God to show Christ Church His choice for our next Sr. Minister.

The Committee is thankful that Dr. Dunnam is here and agreed to be here to serve as our Interim Senior Minister and shepherd us through this process. Please continue to pray for the Committee, Dr. Dunnam, and Christ Church.
